Minimum System Requirements

- CPU with processor speed of 700MHz or higher
- 256MB of RAM
- CD or DVD-ROM drive
- An available AGP 2.0 slot or higher
- 100MB available hard disk space (150MB for full installation)
- Microsoft Windows XP
- A minimum 350W system power supply
- An AGP compliant motherboard. Some motherboards violate the AGP specification and therefore this card may not physically fit in some systems
- An available hard disk drive power dongle (smaller floppy disk drive connector is not sufficient)

* *Product must be registered on www.bfgtech.com within thirty (30) calendar days of the original purchase date to activate the limited lifetime warranty or limited ten (10) year warranty. Upon registration the product is protected for the product's lifetime in the United States and Canada, and ten (10) years from the date of purchase in all countries outside of North America against defects in material and workmanship. Warranty coverage is subject to the provisions available at www.bfgtech.com. Products not properly registered will be covered from the date of purchase by a two (2) year limited warranty in Europe and a one (1) year limited warranty in the United States and other countries. Proper registration includes submitting proof of purchase to BFG.*

† *Toll-free telephone technical support is available in the United States and Canada only. For customers outside of North America, a toll call will apply and your phone bill will reflect the charge. E-mail tech support is free and available to all customers.*
